I want to know where my confidence went One day it all disappeared

And I'm lying in a hotel room miles away Voices next door in my ear

Daytime's a drag Nighttime worse Hope that I can get home soon

But the half-finished bottles of inspiration Lie like ghosts in my room

There's a seat on the corner I keep every night Wait til the evening begins

I know it's time One big step I can't go I'm not ready yet

Til I am myself, Til I am myself, Til I am myself again

I don't need a doctor to figure it out I know what's passing me by

When I look in the mirror Sometimes I see traces of some other guy
