And now, the end is near

And so I face the final curtain

Em G

My friend, I'll say it clear

*back to D*

A

D

I'll state my case, of which I'm certain

D D7

I've lived a life that's full

G Gm

I've traveled each and every highway

D A

But more, much more than this

G D

I did it my way

Regrets, I've had a few

But then again, too few to mention

I did what I had to do

And saw it through without exemption

I planned each charted course

Each careful step along the byway

But more, much more than this

I did it my way

D D7

Yes, there were times, I'm sure you knew

G

When I bit off more than I could chew

Em7 A7

But through it all, when there was doubt

F#m7 Bm

I ate it up and spit it out

Em7 A

I faced it all and I stood tall

Em7 D

And did it my way

I've loved, I've laughed and cried, I've had my fill, my share of losing

And now, as tears subside, I find it all so amusing

To think I did all that, And may I say - not in a shy way

No, oh no not me, I did it my way

For what is a man, what has he got, If not himself, then he has naught

To say the things he truly feels, And not the words of one who kneels

The record shows I took the blows,

and did it my way
