Friday night I'm going nowhere All the lights are changing green to red

D G D G

Turning over TV stations Situations running through my head

Looking back through time You know it's clear that I've been blind

D D G D

I've been a fool To open up my heart

G D G

To all that jealousy, that bitterness, that ridicule, "du du duh" effect of the bass

Saturday I'm running wild And all the lights are changing red to green

Moving through the crowd I'm pushing Chemicals all rushing in my bloodstream

Only wish that you were here You know I'm seeing it so clear

I've been afraid To show you how I really feel

Admit to some of those bad mistakes I've made

## D A Em

If you want it Come and get it

A D A

Crying out loud The love that I was

Em G D

Giving you was Never in doubt

A Em

Let go of your heart Let go of your head

A D A

And feel it now Let go of your heart

Em (

Let go of your head And feel it now

D G D G

Babylon, Babylon,

Sunday all the lights of London Shining sky is fading red to blue

Kicking through the Autumn leaves And wondering where it is you might be going to

Turning back for home You know I'm feeling so alone

I can't believe Climbing on the stair

I turn around to see you smiling there In front of me

If you want it Come and get it Crying out loud The love that I was Giving you was

Never in doubt Chorus Babylon, Babylon, Babylon, Babylon
